

Building Classroom Climates -- 2nd Grade – Making Sense of One's Own and Others' Learning
Video transcript from Day 110: Students develop ways showing and describing quantities

STUDENT: So um, these are tens, the sticks and this is ten twos but with blocks.

STUDENT: So it's like, 10, 20, 30, 40, 50, 60, 70, 80, 90, 100, and then 110, and 120, and 130, and 140.
