

PATTY FERRANT: Someone else want to add on? I heard you, I mean I just saw...and I'm just going to point it out right now. That whole group, all their heads were in the middle. Like, I don't care if you get out of your seat because you're trying to show something. I'm not sure what was happening but I know that something was happening back there that it was supporting people in that group, because they were intensely in it.

That's what I need. If you're just sitting there and I see this all the time, you're just sitting there, that's not pushing each other. So, did something come out? Did someone have a moment where they're finally getting it or did you help somebody? Can someone explain? Say it again? Rephrase? Use that? Go for it! What were you going to say, Fernando? Go for it!
