## inside + x = ÷ mathematics

## Part and Whole

## Level A

You and your friend have made a batch of cookies that have different shapes. You want to share each cookie between you and your friend so that you can taste each one. You decided you want to make sure to share the cookie so both pieces are the same. How should you cut your cookies to make sure each of you has the same shape and size of the cookies?

Inside

**Problem Solving** 

Draw a line through the cookies where you would make a cut and explain why the two pieces are the same.
