inside + x = ÷ mathematics

Inside Problem Solving

Part and Whole

Level D

You work for a puzzle company. They sent you the following puzzle. You need to determine the fractional size of each piece so that the company will know the materials needed for the different sized pieces. Determine the fractional size of each piece and explain your reasoning.

You have been assigned to create a more complicated puzzle. Create a design and provide a key to the fractional size of each shape, explaining how you determined its size.
